

Review slight deletion to current *Structure Handbook* chapter, The Region, section 3, 'Conference Delegates / Alternates', p. 94, fifth paragraph.

Background

Suggestion is to delete the final five words, **'if invited to do so'**.

The full sentence would then read:

'He or she should be available and willing to report back fully to the region and also be willing to travel to intergroup and group meetings.'

This suggestion is based on a response from Committee 6, Question 1, in 2001, recommending stronger implementation of the guidance for communicating Conference decisions in the *Service Handbook* at that time.
