

Alcoholics Anonymous - February 2026

Media Information and Anonymity Request

Alcoholics Anonymous is grateful for the co-operation of the media. Responsible coverage has helped many people suffering from alcoholism find hope and recovery.

We respectfully ask that when presenting AA members, first names only are used and that no faces, voices, or identifying features are recognisable across print, broadcast, digital, podcast, or social media platforms. Please be mindful of GDPR and AI platform data ownership risks

Alcoholics Anonymous is self-supporting, non-professional, and not affiliated with any other organisation.
