Last update sent to TLO: (do every 6 months),

Send update to TLO by e-mail at: telephones.bd@aamail.org

NOTE: a) Only include people who definitely see the Nooners@164 as their home group. If not, then say they need to see their Home Group GSR (otherwise there'll be loads of confusing double entries on the Telephone Service spreadsheet of 12 Steppers)
b) The TLO will remove any names not listed on the update, so check if existing volunteers want to continue this service and include their names on the update.
